At the Movies - Thursday at 2:00 pm BPTV 14

Setting the scene in a sleepy small town in 1950s Louisiana, this coming-of-age drama follows tomboy Dani Trant (Reese Witherspoon in her film debut) as the 14-year-old tries to cope with her budding sensuality and a rivalry with her older sister, Maureen (Emily Warfield). Trouble begins when the siblings both fall for their dreamy new neighbor, Court (Jason London), who flirts with Dani but has real feelings for Maureen.
